

2nd Annual Conference-Surgery & Anesthesia FOCUS-UGANDA (Makerere/Mulago Hospital)

Through strategic collaboration enhancing our Ugandan surgical care partnerships

SAVE THE DATE

Saturday, April 2, 2011

Vancouver

British Columbia

**Host: University of British Columbia's
Branch for International Surgery**

**Contact: mairi.murchison@vch.ca
www.internationalsurgery.ubc.ca**

The first conference was hosted by the Global Partners in Anesthesia and Surgery (GPAS) at UCSF in April of this year.

This second conference builds on the shared goal of harmonizing our surgical care efforts in Uganda through sharing information and collaboration.

Who should attend

- North-American –Ugandan surgery partners
- Surgeons, Anesthesiologists and Residents engaged in delivering surgical care initiatives in Uganda-particularly Makerere University/Mulago Hospital
