

Global Disability in Surgical Care Exploring the issues and challenges

Rounds on International Surgery
Wednesday, June 8th
5:30 to 7 PM

CESEI, VGH JPN-RM3600

Dr. Nancy Van Laeken
Chair, Dept. of Surgery
Providence Health Centre;
Associate Head of Surgery UBC

Dr. Norgrove Penny
Paediatric Orthopedic Surgeon Special Advisor for
Physical Impairment,
CBM International

On June 9th
the World Report on Disability will be launched
by the WHO and the World Bank. The topic of this
Round is most timely.

Learning Objectives:

1. To learn of the global burden of physical disability.
2. To apply that learning to the issue of disability from major burn wound contractures.
3. To become familiar with the United Nations Declaration on the Rights of the Disabled.

The Rounds on International Surgery is a self approved group learning activity as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada

LIGHT REFRESHMENTS WILL BE SERVED
